Mr. J. W. Hodges, who has been engaged in packing oranges on the West Coast the past few months, returned to his home in DeLand Sunday to visit his parents. After spending a few days here, he will go to the East Coast to pack tomatoes.

Mr. D. S. Baldwin of Sheephead Bay, N. Y., is spending some time on his orange grove at Beresford. Mr. Baldwin takes great interest in his grove, which is now covered with bloom.

The "Sample Sale" to be held under the auspices of the Ladies Guild of St. Barnabas church will take place about the 18th. The place at which the sale is to be held will be announced later.

Mr. J. J. Beers of Emporia was in DeLand on business Monday and Tuesday.

The two Jacksonville Knights of Pythias lodges are making great preparations for the annual session of the grand lodge, which meets there on Wednesday next. The last year has been the most successful in the history of the state, and reflects great credit on Grand Chancellor W. A. Allen of DeLand. About 200 of the members of the order will assemble in Jacksonville next week. Myrtle Lodge of DeLand will be represented by Knights Bert Fish and Robert H. Boyd.

Mr. and Mrs. E. W. Allen of Eau Claire, Wis., who are spending some time with relatives in DeLand, will

remain here and in Orange City till the end of this month. Mr. Allen is writing interesting letters about Florida to his home paper.

Mr. J. B. Conrad was home from St. Augustine over Sunday, returning to the Ancient City on Monday. Mr. Conrad is slowly recovering from the injury to his foot.

Mr. John Y. Detwiler, Florida's irrepresible fish commissioner, was in DeLand Monday, circulating among his friends. Mr. Detwiler has just been elected an honorary member of the Halifax River Yacht Club, at Daytona. While in DeLand Mr. Detwiler was given an application from the president of the DeLand Aquatic Club directed to the government asking that the club be authorized to catch food fish from the St. Johns river, in and out of season, for the purpose of stocking the lakes of the club. Mr. Detwiler advises that the directors stock the lakes in this manner, instead of waiting on the government for small "fry," giving as his reason for this the fact that the fry sent from the government hatcheries are very young and will not propagate for several years, while the fish caught in the river will be of various sizes and will at once begin to increase.

Mr. and Mrs. C. H. Wishman made a short trip down the East Coast this week.
